Preparations for The "Kilts & Posh Frocks" season end May Ball are now complete. Happily, there are no regulatory restrictions governing our use of the hall and lounge, although mask wearing remains encouraged.

The evening will begin at 7.30pm with a welcome get together and at about 7.50 pm Ian Manson will lead us in a grand march to form sets.

Dancing commences at 8pm with guest briefers, Ian & Alicia Manson, Arlene Koteff, Valerie Harris, Moira Korus & May Divers. Dances will just be recapped but should any dancer request a walk through, please feel free to do so at that time, likewise with encores.

There will be a break halfway through the program. Dancing will end at 11pm and our traditional "bring and share" buffet will be laid out in the lounge behind the stage. We hope to leave the premises at midnight. Any help to clear up will be much appreciated.
